

**J-HOPE Program**  
**The 4th Clinical Research Skill Advancement Workshop**  
**“Let’s impact the world by conducting high-quality clinical research.”**  
**- How to Successfully Develop Your Career as a Clinical Investigator –**  
**Program**

*March 4th to 6th, 2016 Congres Square Nakano, Tokyo*

<i>Length</i>	<i>Begin</i>	<i>End</i>			
<b>DAY 1: 2016/3/4</b>					<b>Room</b>
0:30	13:30	14:00	Ueno	Workshop Overview	
1:30	14:00	15:30	Bayer, Daiichi Sankyo, Takeda, Yakult	Q&A for the Pipelines	
0:15	15:30	15:45	Break		
0:45	15:45	16:30	Yamanaka	Work 1: Statistical Considerations for Early Phase Trials	
0:45	16:30	17:15	Lee	Work 2: Statistical Considerations for Biomarker-Based Trials	
0:15	17:15	17:30	Break		
1:30	17:30	19:00	Interactive Session 1		Main & Work Room
1:00	19:00	20:00	Dinner Discussion		
2:00	20:00	22:00	Interactive Session 2		Main & Work Room
22:00		Day 1 Program Ends			
<b>DAY 2: 2016/3/5</b>					<b>Room</b>
0:40	8:30	9:10	Bartholomeusz	Work 3: (1) Bench Side to Bed Side	
0:30	9:10	9:40	Ueno	(2) Issues Related to a Clinical Trial Development Based on Predictive Biomarkers	
0:20	9:40	10:00	Imamura	(3) How to Understand PK Information of New Agents and Involve It into Your Planning Study	
0:15	10:00	10:15	Break		
0:40	10:15	10:55	Akamatsu Okamoto Boku	Work 4: Post LOI Story	
0:30	10:55	11:25	Panel Discussion: Challenge and Advice for Young Investigators to be Successful in Translational Research		
1:30	11:25	12:55	Clinical, Translational, and Statistical Research Consultation Clinic / Meet the Professor		
0:45	12:55	13:40	Lunch		
4:15	13:40	17:55	Interactive Session 3		Work Room
1:15	17:55	19:10	Dinner		
3:00	19:10	22:10	Interactive Session 4		
22:10		Day 2 Program Ends			

DAY 3: 2016/3/6				Room
1:30	8:30	10:00	Presentation by All Participants	Main Room
0:15	10:00	10:15	Break	
1:30	10:15	11:45	Presentation by All Participants	
0:30	11:45	12:15	Closing : Certificates and Photo	
12:15		All Program Ends
